Subject: FW: Deliverable 2.5.1.1 - Draft Model Background
Attachments: Draft Ionic Stress Model Background Report_v1_10_22_20.docx

Hi Mindy and John,

We received the draft model background section from Tt for the Ionic Toxicity project. There are still many placeholders and it will need to be revised once the modeling is complete, but I wanted to share this with you in case you have any comments on the content so far. Please let me know.

Thanks,
Irene
